Keeping Families Close® **OUR MISSION**

The Ronald McDonald House Charities (RMHC) of Pittsburgh and Morgantown, Inc. provides a way for families to stay close to their children receiving medical care, and is committed to helping the families lead happier, healthier and more productive lives.

Looking for Ways to Help? Here's How:

Meals from the Heart

Provide a meal for our families, help fill our pantries, join the baking club or make breakfast bags to go. By participating in one of our meal programs, you're helping families who are far from home while their children can receive life-saving medical care.

Wish List Items

Donating wish list items is a great way to help our charity. These items are essential in providing our families with the comforts of home so that can focus solely on the well-being of their child. When you donate from our wish list, you are helping families stay together.

P.O.P. (Projects of Passion)

Take your passion and turn it into a fundraiser for RMHC. Be as creative as you want. Work with a group or individually. You decide!

Volunteer Your Time

By sharing your time, talent and energy, you can make a difference in the lives of the families staying at the Ronald McDonald House or benefiting from our programs. Special services, or just helping out all make a big difference.

Pull Tab Collection

Schools, offices, community groups and individuals can help our charity by collecting pull tabs. After collecting, drop them at a RMH where they can be taken to a local scrap metal yard and weighed for cash. The money is then used to support our mission.

Give a Stay

Even though it costs \$80 per night to house a family, we're able to ask families for only a fraction of that – \$20 per night – and no family is turned away because of generous donations from friends like you that help make up that difference.
