

Ronald McDonald House Pittsburgh

MAKING A HOUSE A HOME

Sponsoring a space at our Houses provides individuals and groups with the opportunity to help provide caring and practical support to families during an incredibly stressful time.

HOW YOUR SPONSORSHIP MAKES A DIFFERENCE

SPONSOR & DESIGN A FLOOR

Our House is modeled much like your house, but with eight floors of private single family apartments – totaling 74 – decor can become a bit monotonous. By sponsoring a floor, you will greet the over 200 families that stay on a floor each year with bright, fun, and engaging décor that ultimately helps distract their minds – just for a bit- from the worries they are facing.

While the décor is fun, what you are ultimately giving Ronald McDonald House Pittsburgh guests is a family living space that provides a sense of security to caregivers who know they will be able to stay close to their child receiving medical care. From the elevator that connects families to the hospital's "Rainbow Bridge", meaning they never have to brave Pittsburgh's unpredictable Mother Nature, to the keycard security access system that provides peace of mind, to the private comfortable living spaces used for families to take care of themselves, our eight floors of apartments provide more than just a bed to sleep in. Your donation supports the necessities of each floor in Ronald McDonald House Pittsburgh.

Your sponsorship of a floor will help cover the expenses of keeping the space well maintained and ready to welcome families. You will also have the opportunity to work closely with RMHC staff to theme and design the floor's custom graphic wrap.

10 Rooms per Floor

750 Guests
served yearly

Meals & Pantry
